

## FACES OF DANGER

Learning to spot the four faces of danger in your puzzle

Use the space provided below to re-sketch your puzzle as it looks today.

Remember to start with the sphere of action, then be sure to include:

- A pepperoni for whoever holds the primary formal authority
- A pepperoni for yourself (relative to formal authority)
- Other key players
- Slices for relevant factions (any differing point of view relative to the work/task at hand)
- Partners or potential partners (your same faction)
- Allies or potential allies (different factions)
- Confidantes (outside of the system)
- Pressures acting on the formal authority from within the system (arrows)
- Pressures acting on the formal authority from outside the system (arrows)
